TMK Russia

For the attention of Pavel Siderenko

As requested prior to the production and issue of the official test report. This is to provide confirmation of the successful CAL IV qualification of the 9-5/8"47# P110 TMK-PF Connection as per ISO13679:2002.

We congratulate you on your successful testing program and look forward to working with you on future projects.

Yours faithfully
For **Oil States Industries (UK) Ltd**

Brian Shotter

Test Laboratory Assistant manager
